

CONSTRUCTION UPDATES

CBD Phase III Water Main Construction Continues for Week of April 6

Elgin – Phase III of the Central Business District's \$40 million Street Resurfacing and Streetscape Project is again underway as the City of Elgin continues to work toward the revitalization of its downtown area.

Water main service construction on Douglas Ave. between Highland Ave. and Dexter Court continues the week of April 6, 2009. Two-way traffic will be maintained and motorists will be able to maneuver through the work zone with flagger assistance.

On street parking will be limited during construction. Patrons wishing to access businesses within this construction zone are encouraged to use the City Hall parking lot on the northwest corner of Douglas Ave. and Highland Ave. Pedestrian access through and around the construction zone will be maintained.

Water main installation on Spring St. at Division and Center Streets and at Symphony Way between Center St. and Dundee Ave also continues this week. Center St. at Symphony Way will be closed briefly during the installation of the water main. Access to businesses on

Center St. north of Symphony Way can be attained from Kimball Street. Access to businesses on Center Street south of Symphony Way will be available from Symphony Way and will be directed by flaggers. Parking is restricted in the construction zones, but is available along area streets. Motorists are asked to use caution when traveling.

Lane closures will occur during normal working hours, approximately 7 a.m. through 4:30 p.m. All lanes will be open during the overnight hours.

PHASE II STREETScape CONSTRUCTION

Installation of the brick paver crosswalks on Chicago St. between Riverside Dr. and Center St./Villa Court and the adjacent side streets, Grove and Douglas Avenues and Spring St. is scheduled to begin April 27. Completion of the crosswalks is expected to take approximately two weeks once construction begins. Detailed information on construction schedules and lanes closures will be available prior to the start of the work.

Weekly progress meetings for the water main project are held on Thursdays at 8:30 a.m. at the construction office located at 201 E. Chicago Street. Business and property owners are invited to attend the first 15 minutes of the meeting to address questions or concerns regarding the construction.

Specific construction questions can be directed to Shelley Costello with TranSystems at 847-871-3185.

For general project information, contact Joe Evers at 847-931-5955 or visit the City's website at [.cityofelgin.org](http://cityofelgin.org) and click the Gettin' Around in Downtown icon.
