

CENTRAL BUSINESS DISTRICT CONSTRUCTION CONTINUES

Phase 3 construction continues during the week of July 20.

Work on the west side of Douglas Avenue between Highland Avenue and Kimball Street continues with curb and gutter and sidewalk removal and continues through August 14. Motorists are asked to pay particular attention to the new traffic pattern Douglas Avenue because left turn lanes in both the northbound and southbound directions are being eliminated. New pavement striping will identify the new centerline of Douglas Avenue.

Phase 3 includes Douglas Avenue between Chicago Street and Kimball Street , Division Street between Douglas Avenue and Center Street and Symphony Way between Douglas Avenue and Dundee Avenue.

Weekly progress meetings for the Central Business District construction project are held on Thursdays at 8:30 a.m. at the construction office located at 201 E. Chicago Street. Business and property owners are invited to attend the first 15 minutes of the meeting if they have any questions or concerns regarding the construction.

Specific questions regarding the construction can be directed to Shelley Costello with TranSystems at 847-871-3185.

For general information on the project, please contact Joe Evers at 847-931-5955 or visit the City's website at [.cityofelgin.org](http://cityofelgin.org) and click the Gettin' Around in Downtown icon.
